Bruckner Truck Sales Presents The 22nd Annual Charity Golf Classic

May 2, 2011
Ridglea Country Club
Fort Worth, Texas

About our Charities

Through strength-based partnership, the All Church Home brings resources and skills to children and families struggling with life's challenges. Together we develop solutions that create safety, hope, love and the capacity to thrive. All Church Home provides over 15 different programs and services to children, youth and families in need including a 24-hour Emergency Youth Shelter, Residential Group Care, Behavioral Group Care, Foster Care, Street Outreach, Family Based Safety Services and Services to At Risk Youth (STAR) to name a few. ACH is able to provide help and hope to nearly 3,000 children, youth and families in need each year and most of our services are provided at no cost to the family.

A Place for Grace is a home for children that are simply unable to live with their families. The main goal of the home is to first remove the children from any harmful situation and show them love and compassion. Our goal is to always reunite the families when the circumstances surrounding the separation can be resolved through counseling and monitored interaction with the children.

Bruckner Truck Sales is proud to host the *22nd Annual Charity Golf Classic!* In 2010, we were able to raise \$72,000 for the All Church Home for Children and A Place for Grace. With your help, we could raise even more this year! More importantly, you will be making a contribution to a very important fund that provides many needy children with the opportunity to participate in various summer activities. If you are unable to attend but still want to help, any donation amount is greatly appreciated.
